A quick guide for schools

Print it, use it in class, or copy and paste the ready-made messages below.

Why we're running it

Our mission is to help more children find something in learning that genuinely engages them. This is the first of our free monthly competitions, with future challenges spanning drawing, creative writing, maths and more.

Easy ways to use the challenge

1 Classroom starter

A simple 15-30 minute creative task: choose a character, imagine a scene and start drawing.

2 Art / creative lesson

Use the printable activity sheet on page 3 for an individual drawing, painting or collage activity.

3 Homework / enrichment

Share the link with pupils who would like to finish or enter their work at home.

4 Newsletter / parent message

Copy and paste the ready-made text below into your usual school communication.
